Be It Enacted by the Legislature of the State of Florida:

Section 7. Subsection (5) of section 120.52, Florida Statutes, is amended to read:

120.52 Definitions.—As used in this act:

(5) “Division” means the Division of Administrative Hearings. Any document filed with the division by a party represented by an attorney shall be filed by electronic means through the division’s website. Any document filed with the division by a party not represented by an attorney shall, whenever possible, be filed by electronic means through the division’s website.

Section 8. Paragraph (b) of subsection (5) of section 120.54, Florida Statutes, is amended to read:

120.54 Rulemaking.—

(5) UNIFORM RULES.—

(b) The uniform rules of procedure adopted by the commission pursuant to this subsection shall include, but are not limited to:

1. Uniform rules for the scheduling of public meetings, hearings, and workshops.

2. Uniform rules for use by each state agency that provide procedures for conducting public meetings, hearings, and workshops, and for taking evidence, testimony, and argument at such public meetings, hearings, and workshops, in person and by means of communications media technology. The rules shall provide that all evidence, testimony, and argument presented shall be afforded equal consideration, regardless of the method of communication. If a public meeting, hearing, or workshop is to be conducted by means of communications media technology, or if attendance may be provided by such means, the notice shall so state. The notice for public meetings, hearings, and workshops utilizing communications media technology shall state how persons interested in attending may do so and shall name locations, if any, where communications media technology facilities will be available. Nothing in this paragraph shall be construed to diminish the right to inspect public records under chapter 119. Limiting points of access to public meetings, hearings, and workshops subject to the provisions of s. 286.011 to places not normally open to the public shall be presumed to violate the right of access of the public, and any official action taken under such circumstances is void and of no effect. Other laws relating to public meetings, hearings, and workshops, including penal and remedial provisions, shall apply to public meetings, hearings, and workshops conducted by means of communications media technology, and shall be liberally construed in their application to such public meetings, hearings, and workshops. As used in this subparagraph, “communications media technology” means the electronic transmission of printed matter, audio, full-motion video, freeze-frame video, compressed video, and digital video by any method available.

3. Uniform rules of procedure for the filing of notice of protests and formal written protests. The Administration Commission may prescribe the form and substantive provisions of a required bond.

4. Uniform rules of procedure for the filing of petitions for administrative hearings pursuant to s. 120.569 or s. 120.57. Such rules shall require the petition to include:

a. The identification of the petitioner, including the petitioner’s e-mail address, if any, for the transmittal of subsequent documents by electronic means.

b. A statement of when and how the petitioner received notice of the agency’s action or proposed action.

c. An explanation of how the petitioner’s substantial interests are or will be affected by the action or proposed action.

d. A statement of all material facts disputed by the petitioner or a statement that there are no disputed facts.

e. A statement of the ultimate facts alleged, including a statement of the specific facts the petitioner contends warrant reversal or modification of the agency's proposed action.

f. A statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's proposed action, including an explanation of how the alleged facts relate to the specific rules or statutes.

g. A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the agency to take with respect to the proposed action.

5. Uniform rules for the filing of request for administrative hearing by a respondent in agency enforcement and disciplinary actions. Such rules shall require a request to include:

a. The name, address, e-mail address, and telephone number of the party making the request and the name, address, and telephone number of the party's counsel or qualified representative upon whom service of pleadings and other papers shall be made;

b. A statement that the respondent is requesting an administrative hearing and disputes the material facts alleged by the petitioner, in which case the respondent shall identify those material facts that are in dispute, or that the respondent is requesting an administrative hearing and does not dispute the material facts alleged by the petitioner; and

c. A reference by file number to the administrative complaint that the party has received from the agency and the date on which the agency pleading was received.

The agency may provide an election-of-rights form for the respondent's use in requesting a hearing, so long as any form provided by the agency calls for the information in sub-paragraphs a. through c. and does not impose any additional requirements on a respondent in order to request a hearing, unless such requirements are specifically authorized by law.

6. Uniform rules of procedure for the filing and prompt disposition of petitions for declaratory statements. The rules shall also describe the contents of the notices that must be published in the Florida Administrative Weekly under s. 120.565, including any applicable time limit for the filing of petitions to intervene or petitions for administrative hearing by persons whose substantial interests may be affected.

7. Provision of a method by which each agency head shall provide a description of the agency's organization and general course of its operations. The rules shall require that the statement concerning the agency's organization and operations be published on the agency's website.

8. Uniform rules establishing procedures for granting or denying petitions for variances and waivers pursuant to s. 120.542.

Section 10. Paragraphs (c) and (d) of subsection (1) of section 120.56, Florida Statutes, are amended to read:

120.56 Challenges to rules.—

(1) GENERAL PROCEDURES FOR CHALLENGING THE VALIDITY OF A RULE OR A PROPOSED RULE.—

(c) The petition shall be filed by electronic means with the division which shall, immediately upon filing, forward by electronic means copies to the agency whose rule is challenged, the Department of State, and the committee. Within 10 days after receiving the petition, the division director shall, if the petition complies with the requirements of paragraph (b), assign an administrative law judge who shall conduct a hearing within 30 days thereafter, unless the petition is withdrawn or a continuance is granted by agreement of the parties or for good cause shown. Evidence of good cause includes, but is not limited to, written notice of an agency's decision to modify or withdraw the proposed rule or a written notice from the chair of the committee stating that the committee will consider an objection to the rule at its next scheduled meeting. The failure of an agency to follow the applicable rulemaking procedures or requirements set forth in this chapter shall be presumed to be material; however, the agency may rebut this presumption by showing that the substantial interests of the petitioner and the fairness of the proceedings have not been impaired.

(d) Within 30 days after the hearing, the administrative law judge shall render a decision and state the reasons therefor in writing. The division shall forthwith transmit by electronic means copies of the administrative law judge's decision to the agency, the Department of State, and the committee.

Section 11. Paragraph (a) of subsection (2) of section 120.569, Florida Statutes, is amended to read:

120.569 Decisions which affect substantial interests.—

(2)(a) Except for any proceeding conducted as prescribed in s. 120.56, a petition or request for a hearing under this section shall be filed with the agency. If the agency requests an administrative law judge from the division, it shall so notify the division by electronic means through the division's website within 15 days after receipt of the petition or request. A request for a hearing shall be granted or denied within 15 days after receipt. On the request of any agency, the division shall assign an administrative law judge with due regard to the expertise required for the particular matter. The referring agency shall take no further action with respect to a proceeding under s. 120.57(1), except as a party litigant, as long as the division has jurisdiction over the proceeding under s. 120.57(1). Any party may request the disqualification of the administrative law judge by filing an affidavit with the division prior to the taking of evidence at a hearing, stating the grounds with particularity.

Section 12. Paragraph (d) of subsection (3) of section 120.57, Florida Statutes, is amended to read:

120.57 Additional procedures for particular cases.—

(3) ADDITIONAL PROCEDURES APPLICABLE TO PROTESTS TO CONTRACT SOLICITATION OR AWARD.—Agencies subject to this chapter shall use the uniform rules of procedure, which provide procedures for the resolution of protests arising from the contract solicitation or award process. Such rules shall at least provide that:

(d)1. The agency shall provide an opportunity to resolve the protest by mutual agreement between the parties within 7 days, excluding Saturdays, Sundays, and state holidays, after receipt of a formal written protest.

2. If the subject of a protest is not resolved by mutual agreement within 7 days, excluding Saturdays, Sundays, and state holidays, after receipt of the formal written protest, and if there is no disputed issue of material fact, an informal proceeding shall be conducted pursuant to subsection (2) and applicable agency rules before a person whose qualifications have been prescribed by rules of the agency.

3. If the subject of a protest is not resolved by mutual agreement within 7 days, excluding Saturdays, Sundays, and state holidays, after receipt of the formal written protest, and if there is a disputed issue of material fact, the agency shall refer the protest to the division by electronic means through the division's website for proceedings under subsection (1).
