

Section 120.745

CHAPTER 2011-225

Committee Substitute for Committee Substitute for Committee Substitute for House Bill No. 993 and House Bill No. 7239

Section 5. Section 120.745, Florida Statutes, is created to read:

120.745 Legislative review of agency rules in effect on or before November 16, 2010.—

(1) DEFINITIONS.—The following definitions apply exclusively to this section:

(a) “Agency” has the same meaning and application as provided in s. 120.52(1), but for the purposes of this section excludes each officer and governmental entity in the state with jurisdiction in one county or less than one county.

(b) “Compliance economic review” means a good faith economic analysis that includes and presents the following information pertaining to a particular rule:

1. A justification for the rule summarizing the benefits of the rule; and

2. A statement of estimated regulatory costs as described in s. 120.541(2); however:

a. The applicable period for the economic analysis shall be 5 years beginning on July 1, 2011;

b. For the analysis required in s. 120.541(2)(a)3., the estimated regulatory costs over the 5-year period shall be used instead of the likely increase in regulatory costs after implementation; and

c. An explanation of the methodology used to conduct the analysis must be provided. A technical methodology need not be used to develop the statement of estimated regulatory costs, if the agency uses routine regulatory communications or its Internet website to reasonably survey regulated entities, political subdivisions, and local governments and makes good faith estimates of regulatory costs in conformity with recommendations from the Office of Fiscal Accountability and Regulatory Reform (“OFARR”), or from one or more legislative offices if requested by the agency and such request is approved by the President of the Senate and the Speaker of the House of Representatives.

(c) “Data collection rules” means those rules requiring the submission of data to the agency from external sources, including, but not limited to, local governments, service

providers, clients, licensees, regulated entities, other constituents, and market participants.

(d) “Revenue rules” means those rules fixing amounts or providing for the collection of money.

(e) “Rule” has the same general meaning and application as provided in s. 120.52(16), but for purposes of this section may include only those rules for which publication in the Florida Administrative Code is required pursuant to s. 120.55(1). As used in this section, the term “rule” means each entire statement and all subparts published under a complete title, chapter, and decimal rule number in the Florida Administrative Code in compliance with Florida Administrative Code Rule 1B-30.001.

(2) ENHANCED BIENNIAL REVIEW.—By December 1, 2011, each agency shall complete an enhanced biennial review of the agency’s existing rules, which shall include, but is not limited to:

(a) Conduct of the review and submission of the report required by s. 120.74 and an explanation of how the agency has accomplished the requirements of s. 120.74(1). This paragraph extends the October 1 deadline provided in s. 120.74(2) for the year 2011.

(b) Review of each rule to determine whether the rule has been reviewed by OFARR pursuant to the Governor’s Executive Order 2011-01.

(c) Review of each rule to determine whether the rule is a revenue rule, to identify the statute or statutes authorizing the collection of any revenue, to identify the fund or account into which revenue collections are deposited, and, for each revenue rule, to determine whether the rule authorizes, imposes, or implements:

1. Registration, license, or inspection fees.
2. Transportation service tolls for road, bridge, rail, air, waterway, or port access.
3. Fees for a specific service or purpose not included in subparagraph 1. or subparagraph 2.
4. Fines, penalties, costs, or attorney fees.
5. Any tax.
6. Any other amounts collected that are not covered under subparagraphs 1.-5.

(d) Review of each rule to determine whether the rule is a data collection rule, providing the following information for each rule determined to be a data collection rule:

1. The statute or statutes authorizing the collection of such data.

2. The purposes for which the agency uses the data and any purpose for which the data is used by others.

3. The policies supporting the reporting and retention of the data.

4. Whether and to what extent the data is exempt from public inspection under chapter 119.

(e) Identification of each entire rule the agency plans to repeal and, if so, the estimated timetable for repeal.

(f) Identification of each entire rule or subpart of a rule the agency plans to amend to substantially reduce the economic impact and the estimated timetable for amendment.

(g) Identification of each rule for which the agency will be required to prepare a compliance economic review, to include each entire rule that:

1. The agency does not plan to repeal on or before December 31, 2012;

2. Was effective on or before November 16, 2010; and

3. Probably will have any of the economic impacts described in s. 120.541(2)(a), for 5 years beginning on July 1, 2011, excluding in such estimation any part or subpart identified for amendment under paragraph (e).

(h) Listing of all rules identified for compliance economic review in paragraph (g), divided into two approximately equal groups, identified as "Group 1" and "Group 2." Such division shall be made at the agency's discretion.

(i) Written certification of the agency head to the committee verifying the completion of the report for all rules of the agency, including each separate part or subsection. The duty to certify completion of the report is the responsibility solely of the agency head as defined in s. 120.52(3) and may not be delegated to any other person. If the defined agency head is a collegial body, the written certification must be prepared by the chair or equivalent presiding officer of that body.

Allegations of fact related to other objections may be included.

(b) Objections may be submitted by any interested person no later than June 1, 2012.

(c) The agency shall determine whether to sustain an objection based upon the information provided with the objection and whether any further review of information available to the agency is necessary to correct its report.

2. File the written certification of the agency head with the committee verifying the completion of each compliance economic review required for the respective year. The certification shall be dated and published as an addendum to the report required in subsection (3). The duty to certify completion of the required compliance economic reviews is the responsibility solely of the agency head as defined in s. 120.52(3) and may not be delegated to any other person. If the defined agency head is a collegial body, the written certification must be prepared by the chair or equivalent presiding officer of that body.

3. Publish a copy of the compliance economic review, directions on how and when interested parties may submit lower cost regulatory alternatives to the agency, and the date the notice is published in the manner provided in subsection (7).

3. Does not unreasonably affect job creation or job retention;

4. Does not place unreasonable restrictions on individuals attempting to find employment;

The duty to certify completion of the report is the responsibility solely of the agency head as defined in s. 120.52(3) and may not be delegated to any other person. If the defined agency head is a collegial body, the written certification must be prepared by the chair or equivalent presiding officer of that body.

A report on each such estimate shall be published on the Internet by December 31, 2013. On or before October 1, 2013, the agency head shall certify in writing to the committee that the agency has completed each economic estimate required under this paragraph and thereupon the agency is exempt from the biennial review required in s. 120.74(2) for the year 2013.
