I. SUMMARY:

Committee Substitute for House Bill 1429 would create the Prison Industries Trust Fund to receive moneys appropriated by the Legislature and moneys deposited by the Prison Rehabilitative Industries and Diversified Enterprises, Inc. (PRIDE) which are generated as a result of Prison Industry Enhancement (PIE) programs. The trust fund would be administered by the Department of Banking and Finance, and it would be exempt from termination under s. 19(f)(3), Article III of the Florida Constitution and from the service charges imposed by s. 215.20, F.S. The bill would also amend s. 946.512, F.S., to permit PRIDE to pay certain revenues to the Prison Industries Trust Fund.

B. PRESENT SITUATION:

In 1994, the Legislature authorized the department to participate in the federal Prison Industry Enhancement (PIE) program, which allows private sector businesses to operate inside the prisons and employ inmates. In March 1995, the U.S. Department of Justice approved the department as the certified agency responsible for designating PIE programs in this state. In 1999, in Chapter 99-260, Laws of Florida, the Legislature transferred the oversight and certificate for PIE programs to PRIDE. On May 27, 1999, the Bureau of Justice Administration approved of PRIDE as the certificate holder. All contracts for PIE programs, including those intending to be operated by PRIDE, must receive the approval of the state Department of Corrections.

In all of the states which have PIE programs, a portion of PIE revenues are deposited to a trust fund to receive PIE revenues. The State of Florida does not presently have such a trust fund, and prior to FY 1999 - 2000, PRIDE deposited a portion of its PIE revenues and its voluntary contributions to the department’s Correctional Work Program Trust Fund. Deposits are no longer made to this trust fund.

C. EFFECT OF PROPOSED CHANGES:

Section 946.522, F.S., would establish a new trust fund, the Prison Industries Trust Fund, to be administered by the Department of Banking and Finance. The funds within this trust fund may only be withdrawn by the Comptroller upon receipt of a corporate resolution from the board of directors of PRIDE. The funds would be used for expenditures by PRIDE for the construction or renovation of facilities or for the expansion or establishment of correctional work programs or PIE programs.

The trust fund would be exempt from:

- the service charge on trust funds imposed by s. 215.20, F.S.;
- the requirement that balances remaining undisbursed revert to the fund from which appropriated; and
- termination under s. 19(f)(2), Article III of the Florida Constitution.

Section 2 of the bill would allow revenues previously paid by PRIDE after the effective date of the Act to be deposited to the Prison Industries Trust Fund.
