Re: Public Service Commission Rule Chapter 25-6

Dear Mr. Harris:

Thank you for providing me with the latest copy of chapter 25-6. I have completed a review of the changes and prepared the following comments for your consideration and response.

According to my records, a notice of change has not been filed for the rules under consideration. The rules can not be filed for adoption until after the notice of change has been published.

25-6.034(2)(b)

Does this rule contemplate the utilization of other issues of the NESCS? If so, each such edition must be incorporated by reference pursuant to section 120.54(1)(i)1., F.S.

25-6.0342(5)

The rule refers to "other applicable standards imposed by state and federal law." Each such standard should be identified and incorporated by reference in the rule.

I am available at your convenience to discuss the foregoing remarks.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Rosner".
