Subject: Proposed Amendments to Rule Chapter 40E-6, F.A.C.

Dear Ms. Printy:

Thank you again for taking the time this past Friday to discuss the proposed amendments with us.

As we discussed, in addition to the changes previously enumerated in our May 20, 2013 correspondence, we will be replacing the word "may" with "is authorized" in Rules 40E-6.721(6), 40E-6.741(1), and 40E-6.741(2), F.A.C. These final revisions address the last of your comments.

We will be publishing a Notice of Change that will incorporate all of these revisions.

Thank you again for your assistance through this process.

Sincerely,

A handwritten signature in black ink that reads "Andrew Ross". The signature is written in a cursive style.
