Re: Rule No. 62-620.620 (Guidelines for Establishing Specific Permit Conditions);
OGC No. 07-0073

Dear Ms. *Printy*:

The Department is making changes to the above-referenced rule section based on JAPC objections and comments from the public, both of which were discussed at the adoption hearing on January 29, 2008. Enclosed is a copy of the notice of change that was published in the Florida Administrative Weekly on February 15, 2008, and the amendment forms that were presented at the adoption hearing. Also enclosed, in accordance with your previous request, is a revised Detailed Facts and Circumstances for this proposed rule.

The Department will wait the required 21 days from the date of publication of the notice of change and the filing of the revised Detailed Facts and Circumstances, then file the certification package on March 10th, or shortly thereafter. Please send the appropriate certification to the Secretary of State's office on March 8th. Your attention to this detail is greatly appreciated.

If you have any questions, feel free to call me at (850) 245-2219.

Sincerely,

Stacey D. Cowley
