**Re: Department of Health: Board of Medicine: Council of Dietetics and
Nutrition Practice
Rule 64B8-44.002, .003, .006, .008, and .009**

Dear Ms. Holladay:

In response to your letter dated November 18, 2015, regarding the above proposed rules I offer the following responses.

- 64B8-44.007(4):** A notice of change adding the language "RN," or "Registered Dietitian" to the list of authorized titles will be published. The notice of change will add the comma between "Council" and "Board."
- 64B8-44.007(7):** The Board intended to cite to section 483.041(7) instead of section 483.041(6). The citation will be corrected by notice.
- 64B8-44.007(8):** The Council declines your invitation to list professions that are properly licensed to implement modalities such as naturopathy or colonic irrigation.

If you have any questions or comments, please do not hesitate to contact me.

Sincerely,

Diane L. Guillemette
Assistant Attorney General
