The Department of State hereby provides a concise statement of the reasons for requesting an extension of the 180 day deadline set forth in Section 120.54(2)(a)2., FS. For rule 1B-24.003, FAC, the Division of Library and Information Services is in the process of reviewing feedback from stakeholders on the record retention schedules incorporated by reference that are to be amended. The Department of State hereby provides a concise statement of the reasons for exceeding the 180-day timeframe set forth in section 120.54(2)(a)2., Florida Statutes. Rules 1S-2.009, 1S-2.0091, and 1S-2.041, Florida Administrative Code, were noticed for development in the March 31, 2026, issue of the Florida Administrative Register. The Division of Elections is in the process of assessing and incorporating feedback received during workshops on these Rules. The Division requires additional time beyond the 180-day timeframe to issue a notice of proposed rule because of the time constraints associated with fulfilling its responsibilities during an election year. If you have any questions, please contact me at Bilal.Faruqui@dos.fl.gov. Thank you.

Sincerely,

Dear Ms. Royal:

A Notice of Development of Rulemaking for Rule 14-15.002, F.A.C., was published in the April 1, 2026, edition of the Florida Administrative Register, Volume 52, Number 63. The 180-day deadline to publish the Notice of Proposed Rule is September 28, 2026.

In accordance with section 120.54(2)(a)2., F.S., the Department is notifying the Joint Administrative Procedures Committee that the agency will exceed the deadline to publish the Notice of Proposed Rule.

The Agency is in the process of modifying the AHCA Information Reporting System (AIRS) to accommodate reporting for all facility types regulated by the Agency. Dear Ms. Bernten-Garine:

Pursuant to section 120.54(2)(a)2., Florida Statutes, the Department of Management Services provides notice that it may require an extension of the 180-day deadline for filing the Notice of Proposed Rule for Rule Chapter 60A-1, F.A.C.

The Department published the Notice of Rule Development on April 1, 2026. The 180-day deadline for publishing the Notice of Proposed Rule is September 28, 2026. As the statute requires notification to the Committee at least seven business days prior to the deadline, the Department is sending this notice as a precaution in the event that additional time is necessary.

The Department will continue to proceed with the rulemaking process. The Department does not anticipate needing another extension, but should that change, it will provide the Committee with the quarterly update required by section 120.54(2)(a)2., Florida Statutes.

The Department published the Notice of Rule Development on April 1, 2026. The 180-day deadline for publishing the Notice of Proposed Rule is September 28, 2026. While the Department has proceeded expeditiously with its review and revision of the proposed rules and is near its final stages in that process, due to the technical nature of the rules and the need for thorough review, it is uncertain at this time whether the Department will be able to publish the Notice of Proposed rule by September 28th. As the statute requires notification to the Committee at least seven business day prior to the deadline, the Department is sending this notice as a precaution in the event that additional time is necessary.

The Department will continue to proceed with the rulemaking process. The Department does not anticipate needing another extension, but should that change, it will provide the Committee with the quarterly update required by section 120.54(2)(a)2., Florida Statutes.

Should you require any additional information, please contact me at (850) 922-6617 or Genevieve.Hall@dms.fl.gov.

/s/ Genevieve Hall

Re: Delay in Rulemaking for Rules 69U-100: .005, .03852, .045, .0451, .057, .067, .100, .101, .102, .103, .104, .105, .106, .600, .948, and .963, F.A.C.

Dear Ms. Jackson:

Pursuant to s. 120.54(2)(a)2., F.S., an agency must publish a Notice of Proposed Rule in the Florida Administrative Register (FAR) within 180 days of publishing a Notice of Development. If the agency cannot meet this deadline, it must submit a concise statement to the Joint Administrative Procedures Committee (JAPC) explaining the delay.

On March 31, 2026, the agency published a Notice of Development in the FAR (Vol. 52/62) for the rules listed above. This filing established a statutory deadline of September 28, 2026, to publish the Notice of Proposed Rule. Because the Notice of Proposed Rule will not be published by the deadline, this correspondence serves as the Office's official notification to JAPC explaining the delay in rulemaking for the aforementioned rules.

The Financial Services Commission (FSC), acting in its capacity as the agency head of the Office for rulemaking purposes, must secure formal approval from the Governor and Cabinet before the agency can publish a Notice of Proposed Rule in the FAR. The FSC seeks such approval at regularly scheduled Cabinet meetings. Due to the rescheduling of the Cabinet meeting from September 15, 2026, to September 29, 2026, the agency will be unable to meet the prescribed rulemaking deadline. Had the Cabinet convened on the originally scheduled date of September 15, 2026, the FSC would have timely requested and obtained the required approval, and the agency would have published the Notice of Proposed Rule in the FAR within the required timeframe. Upon the FSC securing official approval at the rescheduled September 29, 2026 Cabinet meeting, the agency will proceed to have the Notice of Proposed Rule published in the FAR.

If you have further questions or require additional information, please don't hesitate to Reach out. Thank you.
